*The Kemetyl Group has rapidly become one of the largest companies in its fields in Europe, with 250 employees in 13 countries producing a turnover of some €140 million euro to 45 countries. Following a number of acquisitions, we have grown to be a truly complete, integrated and Pan-European partner within the industry.*

*Present on 13 European countries, with 4 own production sites and several contractor sites, we have a unique presence. We are where our customers are. And with staff that speaks 24 different languages we can live up to the slogan - "we speak your language".*

*Our product portfolio contains fluids and hardware, car care and accessories, hygiene and household products. Major products range from screenwashes and coolants, to fuels and cleaners. From window wipes to disinfectants. From bulk chemicals to 50ml bottles and aerosols.*

*As the biggest supplier of industrial ethanol in Europe, and with filling platforms across Europe, Kemetyl can combine unbeatable economies of scale with "local" production almost anywhere.*

*Your brand or our brand - the choice is yours.*
